Tuition and Fee Waivers for Field Instructors at the University of Illinois at Urbana-Champaign

Tuition and Fee Waiver Information

Tuition and Fee Waivers are provided for field instructors as a benefit for providing a practicum learning experience to MSW students. The following conditions apply. The waiver applies to tuition and the service fees, except the laboratory fee or medical fee (see below). You may not use the services supported by those fees unless you purchase them separately. You will also be responsible for any course-specific fees incurred as a regular part of the course.

You will be assessed fees for medical insurance unless you take the following action: (1) demonstrate that you have health insurance equivalent to the Student Insurance Plan, and (2) complete an exemption application form during the Student Insurance Enrollment/Change Period for the semester you wish to exempt. Further information concerning this student medical insurance coverage and procedures for obtaining an exemption may be obtained by contacting the Student Insurance Office, 807 South Wright, Suite 480, Champaign, IL, or by calling (217) 333-0165.

Field Instructors can earn only one waiver per each semester regardless of the number of students that they supervise. A maximum of two waivers may be earned in a given academic year. These waivers are not transferable and time limited. They must be used within one calendar year from the end of the term of service. Use of the waiver is contingent upon admission to one of the three campuses of the University of Illinois or to one of their academic program or enrollment in a community credit. The waiver is accepted at any of the three campuses with the understanding that each campus has the right to restrict the use of undergraduate waivers.
