ACCESSING/TAKING THE CERTIFICATION EXAM

1. To locate your course, hover over the Training tab and click Courses as shown below.

   ![Courses Tab]

2. Access your Course by clicking on the name of the course.

   ![Course Access]

   OR

   ![Im-Cat Course Access]

   • After opening the course you will scroll down to the last two steps within the course (Please note: These instructions are for taking the test but the expectation is that prior to test-taking you will review relevant sections of the course in order to prepare for the test).

3. The last steps of the course are the Practice and Certification Exams. These are divided up into the following age groups per course.

   **COURSE: IM+CANS**
   - Practice Exam 0-5 Years
   - Certification Exam 0-5 Years
   - Practice Exam 6-20 Years
   - Certification Exam 6-20 Years
   - Practice Exam 21+ Years
   - Certification Exam 21+Years

   **COURSE: IM-CAT**
   - Practice Exam 0-20 Years
   - Certification Exam 0-20 Years
   - Practice Exam 21+ Years
   - Certification Exam 21+ Years

   ❖ Users will need to obtain a .70 or higher on their certification exam for a certificate to be issued.
   ❖ You may choose to take a test for more than one age group, but you are only required to be certified on one age group. The certificate will show the name of the course, not the specific age group you certify in.
4. Users will need to certify in the Exam that is most applicable to their work. For example: Users who work with young children 0-5 years will take the Practice Exam 0-5 Years then the Certification Exam 0-5 Years.
   - To start your exam click on the Exam name for the Practice or Certification exam you would like to start.
   - Read the Vignette Assumption
   - Select “Start Vignette”

5. Once you finish your Certification Exam your score will show immediately.
6. Once you earn a passing score on the Certification Exam you can view your certification by hovering over the Me tab on the top toolbar and selecting My Certificates.

NOTE: The Exams have a two hour time limit. If you exceed the time limit you will need to restart with a new exam.

NOTE: If Re-certifying, your exam will show at 100% complete and your prior score will be listed. You will click on the Certification Exam and select “Retake Vignette”.
